Thank you for your generosity!!

2020 Catholic Communication Campaign Did you know that because of your support of the annual Catholic Communication Campaign, our Diocesan Communications Office has been able to remain open and in touch with the faithful of RI and beyond throughout the COVID-19 Crisis? Thanks to your donations, we have been able to provide weekly emails with vital information and updates, prayerful messages and videos from Bishop Tobin, schedule of Holy Masses streamed on the web while public worship was suspended, timely spiritual and informational videos, and much more. As expected, support of the 2020 Catholic Communication Campaign is more vital now than ever. We hope we can rely on your support, no matter how small, to help us to continue to share the good news and the Gospel message during this unprecedented time in our Church history. Half of the funds raised stay in the Diocese of Providence. The other half of the funds raised supports national communications efforts as well as projects in developing countries.

The Propagation of the Faith Office thanks you for your donations of $786 to the Rice Bowl Collection. The missions throughout the world receive 75% of the collection. The remaining 25% stays here in our own diocese to support local organizations that reach out to our own population who struggle daily to survive.
